Time Will Change Sunday As Clocks Will Be Set Back

Legally, it's about time to change the time again.

Daylight saving time will end in California and Nevada Sunday and you can start wondering which way to turn the clock.

The correct procedure is to turn all timepieces back one hour. That means if you retire at 11 p. m., turn the clocks back to 10. Then when you awaken Sunday morning they will be on Pacific Standard Time.

Under the state laws, daylight saving time is observed from the last Sunday in April to the last Sunday in September.

The 1961 legislature passed a measure which will appear on the 1962 ballot to permit the people to vote on whether they want daylight saving time extended to the last Sunday in October, but there were no steps taken to eliminate the semi-annual confusion altogether.

Rain Fall Fails To Eliminate Danger Of Fires In Area

The .73 of an inch of rain which fell in the Truckee district Saturday brought temporary relief in the powder-dry forests but by no means eliminated the danger, Henry Toccalini, assistant fire control officer for the local office of the U. S. Forest Service declared.

Lookout and patrols are still being maintained as the warm weather quickly dried out the brush and trees.

Rain turned to snow in the higher elevations of the district and at the Verdi Peak lookout station, which is approximately 8,700 feet, two inches of snow was reported with an nich at the Martis Peak lookout station. Some snow fell on Donner but was quickly eliminated by the warm sun.

Hunters who will frequent the forest Saturday on the opening of the deer hunting season are warned of the dry conditions and are asked to be especially careful with fires.

Boys Blamed For Fire Near Donner

A fire which very easily could have developed into a major blaze was extinguished by the Truckee forest service suppression crew at 4 p. m. Friday between the Ramshead and the new freeway.

A strong wind was blowing at the time and had it not been for the freeway, the fire would have spread into heavy timber.

Henry Toccalini, assistant fire control officer for the local station, said two seven-year-old boys admitted starting the fire in a pile of dry brush adjacent to the freeway.

While the Truckee district enjoyed a heavy rainfall Saturday, several lightning fires occurred on the west slope of the Sierra, Toccalini reported. None was of a serious nature.

TAHOE LAKE SCHOOL

KINDERGARTEN: The large enrollment in our kindergarten this year has made it necessary for us to have a double session in this class.

Children celebrating birthdays this week were Linda Lewis and Jean Pierre Legras. Linda served ice cream cups to the afternoon class and Pierre served cupcakes to the morning children.

The class presented each with a painting of a birthday cake with five candles.

FIRST GRADE: We have 28 good students in our room this year. Already these six children have done star perfect papers: Soyya Kimball, Kim Byers, Lynn Cordone, Patrick Bechdolt, Patti Tilton and Britt Brolund.

Swiss steak dinner is planned for September 24 at the Kings Beach Methodist Church from 5 to 8 p. m. The donation of $1.50 is very small considering a home cooked meal without chore of serving and dishwashing. Edy Judy is chairman of the dinner and members of the Methodist Youth Fellowship and the Women's Society of Christian Service are selling tickets. Circle your calendar.

Mr. and Mrs. Perry Grant of Spring Valley, San Diego County, were visitors to parents Red and Mary Lou Waddell of Kings Beach.

Bob and Melba Forrest, summer residents on the north shore, have returned to Palm Springs for the winter.

Arlene and Paul Prada of Oakland are visiting Ray and Barbara Bergman of Brockway for a two weeks vacation.

Renie Van Buren has returned home to Paris after spending the summer at Crystal Bay. A leisurely train trip to New York and thence by the "Flandre" across the Atlantic and home. Bon voyage, Renie.

Barbara Kammerer and Joan Decker of Kings Beach, 1961 graduates of Tahoe Truckee High School, have moved to Reno where they will attend beauty college.

Pat and Tom Koscy of San Jose have returned home after spending the summer at Kings Beach. Plans to go to the desert sketching for a fall trip.

Bethel and Pieter Van Tassel of Tahoe Vista spent the weekend in Yuba City. Relatives, James and Verna McFarlane and Mike and Jerry McFarlane and son, Gary, mother and grandmother, Martha Holmes, all had Sunday dinner.

Weather is fallish and the only reason to mention weather is that a light snow fell Friday on Mt. Rose. All weather predictions for the winter would be appreciated—especially the Indian signs and other indications of a heavy or light winter. The best story heard so far concerns a prediction made last year about a heavy winter because the chipmunks had bloodshot eyes. Well . . .

Happy birthday, Ronda West, four years old on September 6. Ronda is the daughter of Ron and Ruth West of Kings Beach.

William and Ardith Burrell and son Alan of Novato are the new operators of the Crystal Bay Motel at Crystal Bay. Alan is a student at Tahoe Truckee High School. The Burrells are new owners with Preston A. Jones and Wally Runswick of Berkeley. Welcome to Tahoe.

Alfonso and Isabelle de Luque of Santa Monica are the new resident-owners of Tahoe Klayoha at Tahoe Vista. Children are Abby, 19, Jack, 16 and Joel 13. Jack and Joel are students at Tahoe Truckee High School. Klayoha will remain open all winter—the bar too, but not the restaurant. Welcome to Tahoe.

Don't forget the North Shore Volunteer Firemen's benefit ball and buffet at the Crystal Bay Club on September 29, 8 p. m., admission, $1.50. Fire Belle's of North Tahoe are also assisting with ticket sales.

Our Lady of the Lake Catholic Church in Kings Beach was the setting of a late summer wedding of Karen Diane Decker, daughter of Mr. and Mrs. Lloyd Decker, to Ernest Llye Damon, son of Ernest H. Damon of Elko and Mrs. Carl Graugel of Winnemucca. Father Patrick O'Neill performed the marriage ceremony before the altar which was graced with yellow gladiolas, stock and white daisies.

The bride was given in marriage by her father, Lloyd Decker. The lovely bride was radiant in a delicate pea'dange, lace appliques on pure silk organza, designed by Adlene. The gown's softly scooped neckline was accented by a single strand of pearls, gift of the bridegroom. Dramatizing the snug bodice and three-quarter sleeves, was the bride's bouquet of pale yellow gladiolus, roses and white daisies, with satin streamers. The bouffant skirt was floor length in layers of silk over satin, sprinkled with appliques of lace. A pauf veil of silk illusion, attached to a crown of orange blossoms and miniature white pearls enhanced her hair.

Maid of honor was Jude Commagere of Tahoe City. Jude's gown was pale yellow nylon organza over taffeta, detailed in pink and green embroidered insertions from the front bodice extending to a low V in back to form streamers to the hemline. Her hat was a yellow circular veil caught beneath a flat bow of yellow satin, her bouquet was yellow gladiolus and white daisies.

Bridesmaids were Joan Decker, sister of the bride, Jude O'Neil, Chico, Lynn Spell, Carson City, Janice Mandeville, Kings Beach, and Linda Loynd of Gateway. The bridesmaids were attired in identical gowns like the maid of honor, contrasting only in color, pale green with pink embroidered flowers. All the bride's attendants wore a single drop pearl on a gold chain, gift from the bride.

Lori Crall, the bride's cousin, was the flower girl. She wore a yellow nylon dress of organza over taffeta with embroidered trim identical to the bride's attendants and a petaled over skirt. Lori's curls were crowned by a wreath of white daisies and she carried a white flower basket and gayly dropped miniature yellow daisies.

Rickey Decker, youngest brother of the bride, was ring bearer and was attired in a white linen jacket. Rickey carried the white satin pillow trimmed with yellow daisies and white and yellow satin ribbons.

DIVOT-DIGGERS

By BETTY KIELHOFER

The chilling signs of winter have come upon us rather suddenly and much too early this year those who are falling behind schedule on the club championship matches should make every effort to play off and give the next fellows a chance . . . it looks as though it will be running into October now and the cold weather will be a disadvantage to the last to play off . . . HEED THIS WARNING:—In the event you find yourself suspended in mid-air minus shoes, putter, and matching hairpiece, remember that those nerve-shattering 'BOOMS' are the handiwork of Cliff Ellis declaring war on rocks. He hopes to get all the dynamiting done this fall and have clean and beautiful fairways next spring. Have patience, please . . . Several of us went up on Sunday evening to help chase 10 cows off the fairways who were contentedly chewing up the aprons and plodding over the greens. This is an unfortunate and unexpected nuisance completely overlooked when the course was built. I suppose the only answer would be the construction of a fence around the entire course . . . I saw Eva Besio and Mike Ellis playing their match on Sunday afternoon . . . Mike was the victor, which makes her a cinch for at least the runnerup trophy . . . another addition to her growing collection . . . Charles and Liz Carroll were dutifully flailing away at those little white balls on the practice fairway Sunday . . . there's a couple who have really enjoyed taking up the game this summer . . . Liz had remarked in the past that she was in the mood to leave Truckee until she started playing golf . . . now she's perfectly happy here.—the Lew Baysingers wrote from San Rafael to say they enjoy reading of their old friends. They both played the course this summer and were very pleased with the condition of the grass for the first year. Lew said it is better than many of their courses in the city that are three and four years old.—this we like to hear . . . the Shadow Valley Country Club has grown to 137 members to date. Plans are for a very active winter schedule,

DONNER DOINGS

By VIRGINIA O'BEAR

The weather forecasters still claim we are going to have an early winter and it could be true. We had snow on the summit and up above the snow sheds but it melted right away when the sun came out. The rain was very refreshing and cleaned off all of the trees and it looks like spring again. Certainly hope it continues to look the same for awhile as most of us are not ready and can do without snow until about the first of December.

* * *

Despite the showers Saturday, the Swiss wrestlers performed on the wet sawdust at Donner Lake Lodge. In between the wrestling and folk dancing, everyone visited and seemed to have a wonderful time. I wish I could have made it this year as it is the first one I have missed for a long time. We did get to visit with Mr. and Mrs. Louis Aufdermaur, Jr. of Lathrop, California. They come here every year for this event and always stop by to see us.

* * *

Everyone is getting into the mood to go to the luau. It will be this Thursday evening at Donner Lake Lodge and is sponsored by the Auxiliary of the Donner Lake Volunteer Fire Department. A very delightful evening is being planned and dinner starts at 6 o'clock, buffet style. Families are invited to attend and the price of the dinner is $3 for adults and $1.75 for children. It is a good time for everyone to go out and relax and visit atfer the busy summer. This months board meeting was held at the home of Mrs. Anthony St. Claire with vice president Janet Franklin, presiding.

* * *

A lot of us Donner people do not play golf but we do get a kick out of Betty Kielhofer's Divot-Diggers column. It is our way of keeping up on who is doing what and who is winning all of the trophies. Everyone feels that the golf course is quite an asset to the whole area and now we can keep them here instead of sending our tourists to Tahoe or Reno, when they are in the mood to play golf. Congratulations, Betty.

* * *

Many things happen at Donner Lake. Things I like to write about and things I do not dare write about. It is that way all over though so I guess that is what makes the world go around. I do not get around very much so you people who have visiting relatives and friends and want to have it in the column, give me call. I will be very happy to put it in the column and I am sure when you send the clipping to your families and friends, they will enjoy it very much. Just call LUther 7-3688.

dances, skating, that sort of thing. Preserve your strength . . . winter's comin'—we're very sorry to see Roland and Jan 'Boo' Garwood leaving our fair city. 'Boo' has been a most active social chairman in the club and her fine planning and hard work will be sorely missed and very hard to replace . . . meantime, we must give it some thought for next the meeting, the first Monday in October. Well, SAY-LAH-VEE. (Misspelled, you say? That's nothin', I don't even know what it means).

If you have been wondering why Ray Hardin has been walking on cloud nine these days it's because he recently became engaged to Miss Ann Glode of Auburn. They set the wedding date for December 2 and it will be a church wedding with just the immediate family present. Ray is with Briggs, Conley and Dennis and the couple will make their home at Auburn in the winter, Donner Lake in the summer. Best of happiness to you two.

Have you noticed the twinkle in the eyes of Bill and Elizabeth Knapp lately? They are going to join the roster of proud grand parents this coming February. Their son John and daughter-in-law Valerie are expecting their first child much to the delight of John's sister, Susan Marie, too.

This Friday and Saturday night promises to be exciting at Donner Lake Lodge because Hap Hughes and his band will be here. He is from Healdsburg and his wife, Lydia is the sister of Mrs. Bill Knapp. Hap and Lydia have many friends at Donner Lake as they lived here several years ago and managed the coffee shop at Donlac. Hal Welch says that if the people like his type of music, he will have them play often. Elizabeth says he can really make his guitar talk.

Mrs. Laurene Barnstable of Waukegan, Illinois is visiting her sister and brother-in-law, Mr. and Mrs. Robert Pankoke. She arrived Sunday evening in Reno and Martha and Bob met her at the airport. She plans an indefinite stay so maybe she will go to the luau and we can all meet her.

Well, I hope to see you at the luau tonight so 'til then, Aloha.

New housing starts included homes in the Lakeview section of the Village for Richard A. Springer of Crystal Bay, and E. E. "Skeet" Thompson of Kings Beach.

EMBLEM CLUB MEET IS HELD AT TAHOE

CRYSTAL BAY — The state quarterly meeting of the Emblem Clubs held last Friday and Saturday at Crystal Bay was well attended. The weather may have kept some away, but those who were there enjoyed the profitable workshops and the various social activities including a banquet each night.

The officers installed were president, Genevieve Capurro; first vice president, Willow Daley; second vice president, Helen Teglia; financial secretary, Marie York; treasurer Florine Klitzke; recording secretary, Ethel Walton; corresponding secretary, Maxine Harvey. The local club, No. 347 conducted the opening ritual, and the formal closing was done by the new Reno Emblem Club No. 372.

PEACE OFFICERS FOR VALIDATION NAMED

The department of fish and game reminded hunters that the term "Peace Officer," listed among the 33 classifications of persons authorized to validate deer and bear tags in California, applies only to full-time law enforcement officers drawing full-time pay for that work.

Under Section 817 of the California Penal Code, noted the DFG, persons such as deputy sheriffs not employed full time at full-time pay for that duty are not authorized to validate deer and bear tags.

Persons authorized to validate such tags are listed in the 1961 hunting regulations booklet available from any hunting license agent.
